THIS AGREEMENT made and entered into this **13th** day of **July, 2023**

**BETWEEN:**

**THE CITY OF WINNIPEG  
(hereinafter called "the Employer")  
OF THE FIRST PART**

**- and -**

**THE WINNIPEG POLICE SENIOR OFFICERS' ASSOCIATION  
(hereinafter called "the Association")**

**OF THE SECOND PART**

WHEREAS the Association was certified under the Labour Relations Act for Manitoba by the Manitoba Labour Board on the 9<sup>th</sup> day of May, 1972 under Certificate No. MLB-2309, as the certified bargaining agent for a unit described as follows:

"All Senior Officers of the rank of Inspector or higher employed in the City of Winnipeg Police Service, including all civilians employed in a supervisory or confidential capacity in respect of the said Service, such Senior Officers as defined by Section 28, Subsection 6 of the Provincial Police Act of Manitoba, Chapter P. 150 R.S.M.

NOW THEREFORE THIS AGREEMENT WITNESSETH: That in consideration of the premises and covenants and agreements of the parties hereto hereinafter contained, and by them to be respectively observed, kept and performed, the parties hereto covenant and agree as follows:

**ARTICLE I**

**1. Preamble and Scope of Agreement**

The parties agree that it is desirable, and in the best interests of both parties, that harmonious relations be established and maintained between the employer and its employees covered by this Agreement, and for the purpose of maintaining the efficient operations of the Police Service the parties desire to make provisions herein by which grievances and disputes between them, and other matters relative to the welfare of the employer and of the employees concerned, can be discussed and settled quickly and amicably.

**2. Recognition of the Association**

The employer recognizes the Association as the sole and exclusive bargaining agent for all **members of the bargaining unit** employed by the City referred to in the Certificate of the Manitoba Labour Board as set out in the preamble hereto, and as well, such further and other class or classes of employees as may be agreed upon by the parties during the currency of this Agreement, or any extension thereof.

**3. Respectful Workplace**

The City and the Association jointly affirm that every employee in the Winnipeg Police Service shall be entitled to a respectful and safe workplace. The environment must be free

of behaviours such as discrimination, harassment, disruptive workplace conflict, disrespectful behaviour, and violence in the workplace.

The principal of fair treatment is a fundamental one and both the City and the Association will support employees who find themselves in a position that could jeopardize their well-being or undermine work relationships and productivity.

In addition, the parties agree that a respectful workplace includes a safe and healthy workplace as defined by the Manitoba Workplace Safety and Health Act.

### **Definitions**

Although disrespectful behaviour, disruptive workplace conflict and harassment can be defined, in practice they overlap. The following definitions, although not all inclusive, have been designed to accommodate the different types of concerns that may arise.

- a) Disrespectful behaviour is improper behaviour that is unwelcome and inappropriate in the workplace. It may happen once or continue over time. It can include:
- rude comments and swearing as well as spreading unfounded or misinformed rumours that damage people's reputations;
  - actions that invade privacy or personal property or unwelcome gestures; and
  - display or distribution of printed or electronic material that offends.
- b) A disruptive workplace conflict is defined as an ongoing dispute or communication breakdown between two or more individuals that impacts their ability to work productively and cooperatively in the workplace.
- c) Harassment is any behaviour that demeans, humiliates or embarrasses a person, and that a reasonable person should have known would be unwelcome. It may be a single incident or continue over time. Harassment includes:
- verbal abuse;
  - bullying;
  - actions such as touching or pushing;
  - comments such as jokes and name calling;
  - displays such as posters and cartoons;
  - or abuses of power such as threats or coercion.
- d) The Manitoba Human Rights Code prohibits harassment and discrimination related to the following characteristics; ancestry, race, ethnic or national origin, nationality, political belief, religion, family status, sex, including pregnancy, age, marital status,

sexual orientation, source of income, gender identity, social disadvantage and physical or mental disability.

The parties agree that there shall be no discrimination or harassment as defined by the Manitoba Human Rights Code. The parties further agree that there shall be no discrimination or harassment on the basis of place of residence and membership or activity in the Association.

- e) Workplace violence is a threat that may include but is not limited to any act, gesture or statement that may be interpreted as threatening or potentially violent. A violent act is one that causes or may cause physical harm to persons or damage to property.

If there is a violation of this Article, the process outlined in the Letter of Understanding #4 Re: Respectful Workplace will apply.

#### **4. Plural Terms**

Whenever the singular is used in this Agreement, it shall be considered as if the plural has been used where the context of the party or parties hereto so require. Whenever a noun, pronoun, or adjective indicating gender or sex is used, the other gender or sex, including two-spirited, intersexed, transgendered and transsexual persons shall be deemed to be included.

- c) Pursuant to Article IV-10(a), "normal deductions" means those items which would have been deducted from the basic salary of the member in the normal course of events had the member not been injured on duty, notwithstanding deductions for federal and provincial income tax and Canada Pension Plan contributions, which shall be adjusted to reflect the non-taxable status of Workers' Compensation benefits. Without limited the generality of the foregoing, these items shall include any and all deductions for contributions to any City Pension Plan; Employment Insurance contributions; union dues; group insurance premiums; Canada Savings

In the event that the member has exhausted their available sick leave credits, they may similarly use accumulated vacation credits, statutory holiday credits, accumulated overtime credits or other such accumulated time credits in order to continue to receive interim payments.

Should the member not have/exhaust any available time credits, the Chief of Police shall grant the member a leave of absence without pay until such time as the member is either deemed fit to return to normal duties or becomes eligible for disability benefits.

Should The Workers' Compensation Board accept the member's claim for benefits, the member shall have all credits, utilized to provide interim payment(s), reinstated.

- e) Notwithstanding the provisions of Article IV-1 – Statutory Holidays, Article IV-2 – Annual Leave, Article IV-15 – Sick Leave and Article IV-16 – Clothing, a member of the Service injured while in the performance of **their** duties will receive full credit, for the benefits listed above, for the calendar year in which that injury occurs. In each case, where indemnification is provided, this shall mean one (1) counsel per proceeding, with additional counsel covered only at the discretion of the Chief, such discretion to be exercised reasonably. In no case shall an indemnity be provided where the Officer has acted in gross disregard or gross neglect of their duty.

In all cases, the City reserves the right to tax the account of the counsel for whose fees it is providing an indemnity. In all cases where there is no conflict of interest, the City reserves the right to offer representation from legal counsel employed by the City.

It is recognized that the Association assists its members in arranging for legal counsel when counsel is required in the situations noted in Sections 12, 13 and 14. The City is required to reimburse the Association the reasonable expenses as noted in Sections 12, 13 and 14 after its review of the accounts and conclusion about the reasonableness of a particular legal bill subject to the limitations on payments under Section 15.

1. So that the City may assess whether particular costs, expenses and legal fees are reasonable, a member using outside legal counsel will provide the City with a copy of written instructions to that counsel to answer all reasonable questions the City has with respect to an account rendered for which the member seeks payment from the City. The member and/or the Association shall answer any such reasonable questions put to them in that regard.

6. The Association reserves its right to grieve a finding by the City that a fee/cost and/or expense were not reasonable. In addition, so long as the Law Society of Manitoba operates a fee dispute resolution process, the parties may submit to that process rather than follow the grievance procedure herein. In such a case, the member and the Association will execute any documents allowing the City to stand in the shoes of the client of the legal fees, costs and/or expenses.

## GRIEVANCE PROCEDURE

### ARTICLE VI

#### 1. **Purpose**

The purpose of this Article is to establish procedures for discussing, processing and settling of grievances as defined in this Article.

#### 2. **Definitions**

The word "Grievance" as used throughout this Article shall mean a complaint involving any matter relating to wages, hours of work, other terms or conditions of employment, or any other working conditions of a member of the Association, and shall include, without restricting the generality of the foregoing, any difference between the parties relating to the meaning, interpretation, application, or alleged violation of this Agreement, or any part thereof.

##### **Step 1 – Informal Resolution**

An employee who believes that **they have** a grievance shall take the matter up with the Association, which may discuss the matter with the appropriate Deputy Chief within fifteen (15) calendar days of the occurrence giving rise to the said grievance. The Grievor shall be entitled to be present at such discussion if **they** so desire.

The Deputy Chief, after receiving a grievance from the Association in writing, will discuss the matter with Association within fifteen (15) calendar days after receipt of the grievance (the "Step 1 Meeting")

The Deputy Chief shall hear and consider representations of the Association at the Step 1 Meeting, and shall render **their** decision on the matter in writing to the Association within seven (7) calendar days of Step 1 Meeting.

##### **Step 2 – Referral to the Chief of Police**

In the event that the Deputy Chief's decision is not satisfactory to the Association, the Association may refer the grievance to the Chief of Police within seven (7) calendar days of receiving written decision pursuant to the Step 1 Meeting.

The Chief of Police or designated member of the Executive, upon receiving the grievance from the Association, shall hear and consider representations of the Association within fifteen (15) calendar days or at the next scheduled Joint Consultation Meeting if agreed to by the parties (the "Step 2 Meeting"), and shall render a decision on the matter in writing to the Association within seven (7) calendar days of the Step 2 Meeting.

The decision of any person designated to hear a Step 2 grievance shall be deemed to be the decision of the Chief of Police. An alternate appointed by the Chief of Police shall not be a member of the Association.

The time limits specified within this Article may be varied by the mutual consent of the parties.

### **Step 3 – Grievance Mediation**

Failing satisfactory resolution of the grievance in Step 2 above, the Association or the City may request written agreement of the other party to refer the matter to grievance mediation by way of joint application under Section 129(1) of the Labour Relations Act. Such agreement shall not be unreasonably withheld.

Notwithstanding the above, grievances(s) concerning termination of employment may only proceed to grievance mediation upon written agreement between the parties.

### **Step 4 – Failure to Resolve**

Failing satisfactory settlement of the grievance in Step 3 above, the Association or the City may refer the grievance to arbitration in accordance with Article VI of this Agreement, with the exception of grievances of matters specifically covered by the City of Winnipeg Act.

Grievances respecting suspension or dismissal of police officers or other matters specifically covered by the City of Winnipeg Act (the Act) may be referred to the Chief Administrative Officer (CAO) or designate following the process and time limits provided for by the Act, as amended from time to time.

If the decision of the CAO or designate does not satisfactorily resolve the grievance, the Association may refer the matter to arbitration pursuant to Article VI of this Agreement.

### **Step 5 – Arbitration**

Failing satisfactory settlement of the grievance pursuant to Step 2 or 3 above, the Association or the City, not later than fifteen (15) days from the receipt of the decision of the Chief of Police or **their** designate pursuant to the hearing under Section 3, or the CAO's decision under Section 4, may refer the grievance to arbitration pursuant to the provisions of Article VI of this Agreement.

In no event shall the Association, or the City, be entitled to proceed to arbitration on a grievance matter unless the grievance has been referred to the Chief of Police or **their** designate or to the CAO or designate pursuant to Step 2 or 3 respectively.

Should the grievance matter not be referred to arbitration within the said fifteen (15) day period the Association, or the City, shall thereafter be barred from doing so.

## **3. Policy Grievance**

In addition to the foregoing, the Association may process a grievance of general nature (called a "policy grievance") with respect to any matter of dispute which affects the general membership of the Association, through the various steps of the grievance procedure established by this Article.

Provided that this Clause shall not apply to any matter already referred as a grievance by the Association to the Chief of Police, to the CAO or to arbitration, or to any grievance matter for which the time for referring the matter to the Chief of Police, the CAO or the Board of Arbitration has expired.

#### 4. Second Grievances

Notwithstanding anything else contained in this Article, where any matter is once submitted as a grievance by the Association in accordance with this Article, no second grievance may be submitted by the Association in respect of a like matter within one (1) year after the date of the occurrence giving rise to the grievance first submitted.

#### 5. Meetings During Working Hours

"Chief of Police" where used in this Article shall include the Deputy Chief of Police in the absence of the Chief of Police.

All meetings between representatives of the Association and the Chief of Police, pursuant to the provisions of this Article, or with respect to any matter involving the meaning, interpretation, application, administration or alleged violation of this Agreement or any part thereof, shall be held by appointment during working hours without loss of pay to the representatives involved.

### ARBITRATION

#### ARTICLE VII

##### 1. Scope

In the event of differences between the parties relating to the meaning, interpretation, application, or alleged violation of this Agreement, or in the event that a satisfactory settlement cannot be reached between the parties with respect to any grievance in accordance with the terms of Article VI above, either party may request that the matter be submitted to arbitration.

A single arbitrator will be used unless the parties agree to invoke a three (3) person board.

##### 2. Composition

- i) Where the parties agree to a single arbitrator, **they** shall be selected by mutual consent. In the event the parties cannot agree on a single arbitrator within twenty (20) working days, the arbitration will revert to a three (3) person board.
- ii) Pursuant to Article VII-1 or VII-2(i), where the arbitration uses a three (3) person board, the party originating the arbitration request shall notify the other party by registered mail, with the name of its nominee to an arbitration board. Within fifteen (15) days thereafter, the other party shall answer by registered mail indicating the name and address of its appointee to the Arbitration Board. The two (2) Arbitrators shall meet to select an impartial chairperson.

### **3. Failure to Appoint Nominee**

If the recipient of the notice fails to appoint an arbitrator, or if the two (2) appointees fail to agree upon a chairperson within seven (7) days of appointment, the other party may request that the Minister of Labour select such arbitrator.

### **4. Decision**

- i) An arbitrator or board of arbitration appointed pursuant to this Article, shall meet and hear the evidence from the Association and from the City and shall issue an award within ninety (90) calendar days after completion of the hearing, unless the parties hereto agree to extend or abridge the time for issuance of the award. An award issued by an arbitrator, or by a majority in the case of a board of arbitration, shall be deemed to be final and binding on all parties to the arbitration.
- ii) An arbitrator or board of arbitration shall have the authority to determine whether any matter referred to it is arbitrable.

### **5. Expenses**

The City and the Association agree that each will bear an equal share of the fees and expenses incurred as a result of the appointment of a single arbitrator, and in the case of a board of arbitration, the City and the Association agree that each will be responsible for the fees and expenses of their respective appointees and that each will bear an equal share of the fees and expenses of the Chairperson of the Board of Arbitration.

**RE: INORDINATE OVERTIME**

---

Members of the WPSOA are to submit requests for additional time off or payment in lieu of inordinate overtime to the appropriate Deputy Chief of Police.

It is understood that the nature of and responsibilities of the positions within the scope of this Agreement may involve variable work schedules and additional work hours. Inordinate overtime shall include instances where members of the Association have worked continuous overtime in excess of regular working hours on a sustained basis and instances where members have reported to work on days of weekly leave or reported to work before or after completion of a scheduled shift.

The total annual salary paid to employees covered by the WPSOA Collective Agreement and forty (40) hours of compensatory time off granted each calendar year under Article III 6 - Overtime, shall be deemed compensation for all regular annual hours of work as defined by this Agreement and up to a maximum of sixty (60) hours of overtime worked in each calendar year. In cases where employees work less than the equivalent of full time annual hours as defined by the Agreement, the maximum overtime limit shall be prorated to the nearest number of full time months of service.

Pursuant to this Letter of Understanding, no additional time off shall be required for the first sixty (60) hours of overtime worked in any calendar year by any employee covered by this Agreement.

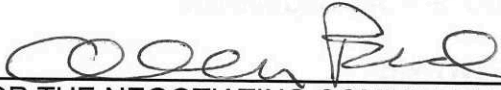

In all instances, it is understood that the member making such request has worked additional hours in excess of the hours and time for which the member has already compensation under Article III(6) of the Agreement. It is further understood that members making such claims have worked inordinate overtime to complete duties and assignments that could not be completed within scheduled working hours or are otherwise the result of exigent circumstances that required their attendance at work.

All accumulated overtime must be used prior to May 1<sup>st</sup> each year. Subject to approval, overtime earned in April of each year may be carried over to the following month to be used prior to June 1<sup>st</sup> of the same year.

When such requests for inordinate overtime are approved, the Service shall advise the Association of such approval.

**RE: REDUCTION IN POLICE STAFFING LEVELS**

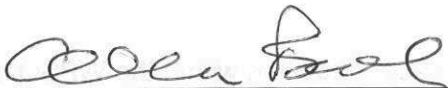

---

The City of Winnipeg and the Winnipeg Police Senior Officers' Association acknowledge and agree that nothing contained in this Letter of Understanding restricts or precludes the City's right to manage and allocate the staff and resources of the Winnipeg Police Service through the budget process and, if necessary, to reduce the number of funded positions in the bargaining unit or to hold positions vacant, in order to achieve budgetary objectives.

Should the elimination of established positions be necessary, the City of Winnipeg affirms its commitment to achieve such reductions in staffing levels through attrition wherever possible or, with the agreement of the Winnipeg Police Association, by means of redeployment to vacant positions within the complement of the Winnipeg Police Association, provided the individual meets the requirements of the position. Such redeployment shall be enacted on the basis of reverse seniority within the Winnipeg Police Senior Officers' Association. A member redeployed to lower rank/classification shall have their rate of pay protected at the rate of pay of the confirmed rank/classification. Salary protection will take the form of present incumbent only status for a period of two (2) years, followed by red circling.

Members redeployed to alternate positions within the Winnipeg Police Service, at a lesser rank/classification shall be reinstated to their former rank/classification on the basis of seniority within the Senior Officers' Association, when such a future vacancy occurs.

**LETTER OF UNDERSTANDING NO. 3  
BETWEEN THE CITY OF WINNIPEG AND  
THE WINNIPEG POLICE SENIOR OFFICERS' ASSOCIATION**

**RE: REDUCTION IN CIVILIAN STAFFING**

---

When a civilian position within the WPSOA bargaining unit is eliminated, is planned to be eliminated, or is or will not be funded by the City, such as that a reduction in staffing levels in the WPSOA bargaining unit may occur, the City agrees to make the best efforts that it is reasonably able to do to avoid a declaration of redundancy of employees in the Association's bargaining unit, including wherever reasonably possible, accommodating it through attrition, and including the steps outlined below.

**1. NOTICE OF PROPOSED ELIMINATION OR NON-FUNDING OF POSITION(S) TO BE PROVIDED TO THE WPSOA AND THE EMPLOYEE**

The City shall notify WPSOA of any proposal to eliminate or not to fund a position that might result in a reduction in staffing levels, specifying job title, number of employees, and the reasons for which the positions are being eliminated. Such notice shall be given at least forty-five (45) working days prior to the proposed date of elimination. No elimination of any position or reduction in staffing levels can proceed nor notice given under Section 4 until this notice provision has been complied with.

**2. ALTERNATIVE EMPLOYMENT PROCESS**

Within ten (10) days of giving notice of Elimination, the City will meet with representatives of the Association and the Employee to discuss alternative employment prospects. Alternatives considered may include the following:

- Voluntary early retirement or voluntary termination of the affected employee with or without incentives.
- Reassignment of an affected employee to a vacant position within the WPSOA for which the employee is reasonably suited, or can reasonably be trained within a short period of time, and provision of appropriate training.
- Review of positions currently available or expected to be available in other bargaining units within the City of Winnipeg. If suitable positions are available, the Employee shall be solely responsible for making application and pursuing such available positions and it is understood that the WPS does not have the ability to place redundant employees in any position in another City Department whether covered by another collective agreement or otherwise.
- Provision of career counselling and alternative career planning services for an affected employee.
- Retraining of an affected employee to facilitate reassignment to a vacant position, or an anticipated vacancy, where the training can be accomplished within six (6) months, and where the employee undertakes to remain in the employ of the City for a minimum of two (2) years upon completion of the training.

### 3. CONDITIONS OF REASSIGNMENT OR APPOINTMENT

- a) If an employee whose position is being eliminated is offered and accepts reassignment to a position within WPSOA with a lower salary grade, and the Association concurs with the placement, the employee shall be reassigned on an "incumbent only" basis for one (1) year, and red circled thereafter. The effective date of the "incumbent only" status shall be the date upon which the incumbent is assigned the duties and responsibilities of the new position. An employee accepting reassignment to a position with the same salary grade shall be placed at the same step within that grade, and with the same annual increment date.
- b) Notwithstanding any other provision of this Collective Agreement, the City has the right to reassign a WPSOA rated employee, whose position has been eliminated, to a vacant WPSOA position that has been rated and is in the same salary grade, and for which the employee is reasonably suited or can reasonably be trained within a short period of time, at no less than the same step within that grade, and with the same annual increment date. In such circumstances, the employee has no right to refuse that reassignment and WPSOA shall waive the posting of that position.

If, within six (6) months of appointment or reassignment, the employee is subsequently found to be unsuitable for that position, then the employee's position will be deemed "about to be eliminated" such that the normal processes, rights and obligations set out in this Letter of Agreement apply.

- c) If there are no suitable positions available for the affected employee, the City shall meet with the employee and the Association prior to the expiry of the forty-five (45) days' notice pursuant to Paragraph 1 above.

### 4. SEVERANCE PACKAGE FOR REDUNDANT EMPLOYEES

If the City determines that there are no alternative employment opportunities available to the employee, the City shall provide severance to the employee as follows:

- Forty-five (45) working days' notice of termination, or at the City's election, payment in lieu thereof, shall be provided to the employee, in writing, a copy to be provided to the Association. The notice period, but not the payment in lieu thereof, may be extended by mutual agreement.
- Where an employee expresses an interest in pursuing other employment, the employee shall be provided at **their** option with reasonable relocation consulting services.
- Severance pay in addition to the forty-five (45) working days' notice (and in addition to any other payable benefits under this Collective Agreement) shall be provided to the employee based on the rate applicable on the date the employee ceases to be employed by the City in the following amount:

a) **For Employees Hired On or Before January 1, 2006**

- Three (3) weeks' pay for each year of employment to a maximum fifty-four (54) weeks.
- At the employee's option, severance pay may be broken into two (2) payments paid so as to maximize, within the law, the employee's tax treatment, provided the payment period does not exceed thirteen (13) months.
- The employee will receive Dental and Vision Care coverage from the City for a period of three (3) years from the actual date of termination.

b) **For Employees Hired After January 1, 2006**

- An employee with less than 12 years of service will receive two (2) weeks' pay for each year of employment to a maximum of twenty-four (24) weeks.
- An employee with twelve (12) or more years of service shall receive three (3) weeks of pay for each year of employment to a maximum of fifty-two (52) weeks.
- At the employee's option, severance pay may be broken into two (2) payments paid so as to maximize, within the law, the employee's tax treatment, provided the payment period does not exceed thirteen (13) months.
- The employee will receive Dental and Vision Care coverage from the City for a period of one (1) year from the actual date of termination.

5. **RIGHTS RELATING TO VACANCIES AFTER DECLARATION OF REDUNDANCY**

Employees declared redundant as a result of elimination of their position shall be eligible to apply and be considered for vacancies within the WPSOA bargaining unit for a period of nine (9) months beyond the date the employee ceased to be employed by the City. Such applicants will be considered in advance of other external candidates.

In the event such an applicant is re-employed in a vacancy posted within that nine (9) month period, **they** will be considered as a new employee for all purposes except for those listed below:

- **Probation:**

A returning employee will be required to serve the normal probation period unless **they** return to a similar position in the department where **they were** previously employed.

- **Rate of Pay:**

Will be assigned as to any new employee, unless the employee is hired into the same or similar position in the department where **they were** previously employed.

- **Rate of Vacation Accumulation:**

For purposes of vacation accumulation, the employee's severance shall be treated as an unpaid leave of absence.

- **Eligibility for Dental and Vision Care:**

For purposes of eligibility for Dental and Vision Care, the employee's severance shall be treated as an unpaid leave of absence.

- **Sick Leave:**

Sick leave accumulation will continue as if the employee had been on an unpaid leave of absence. The amount of sick leave credit will be adjusted to reflect any cash out received by the employee under Section 4 of this Letter such that credits used to produce said cash out will be no longer available.

- **Various Leaves:**

For entitlement to bereavement, funeral, maternity and parental leaves, the employee's severance shall be treated as an unpaid leave of absence.

**6. CITY RETAINS RIGHT TO DETERMINE SIZE OF WORKFORCE**

Nothing in this Letter of Agreement is intended to limit the City's right to determine the size of the workforce, nor shall any terms of this Letter have any bearing on the termination of an employee for cause.

**7. LETTER OF AGREEMENT FORMS PART OF COLLECTIVE AGREEMENT**

This Letter of Agreement forms part and parcel of the Collective Agreement between the parties in force from time to time.
