

Empress Street and Overpass Reconstruction and Rehabilitation Study Public Open House

The City of Winnipeg began a study in fall 2016 to develop a preliminary design for this project. Key opportunities and considerations include:

- Roadway & Overpass Improvements
 - Intersection Design
 - Pedestrian & Cycling Routes
- Greenspace Features
 - Existing Natural Habitats
 - Creek & Riverbank Stabilization

- *Do you travel in the Polo Park area?*
- *Do you anticipate using this area for cycling, walking or commuting?*

Come and see what this project is all about!
