- Every day
- Several times a week
- Once a week
- Once a month
- Less than once a month/rarely

**6. Where do you avoid walking, cycling or crossing? Why?**

---

---

**7. How much more likely would you be to walk or cycle in the neighbourhood if there were project-related active transportation infrastructure improvements?**

- Very likely
- Likely
- Unlikely
- Very unlikely
- Maybe (please explain):

---

---

**8. What should the project design team be thinking about when developing/evaluating options for active transportation on Route 90 between Taylor Avenue and Ness Avenue or in the surrounding neighbourhoods?**

---

---

---

---

**9. Do you have any other comments or questions?**

---

---

---

---

**MORE QUESTIONS AND SPACE FOR COMMENTS ON THE BACK OF THIS SHEET**

10. Several possible types of facilities are being considered for different locations and are shown on storyboard #13. Please provide your comments on any of these possible facilities:
